*The Correctional Peace Officers Foundation, Inc. is a 501(c)(3) charity registered with the United States Internal Revenue Service. Tax ID number is 68-0023302. All Contributions are Tax Deductible to the extent allowable by law.*

*The Correctional Peace Officers (CPO) Foundation is a national charity founded in 1984 for those that work in the Correctional Profession. In the beginning we had two goals 1) to be there for in-line-of-duty deaths and 2) to enhance our image not only in the eyes of the public but in our Correctional eyes as well. We are professionals! The CPO Foundation also has an extensive Catastrophic Assistance Program. When an officer or immediate family member at your facility, or an employee of the Department of Corrections is in a Catastrophic situation, please call or email us immediately. YOU are our eyes and ears. Catastrophic is defined as a medical emergency including but not limited to cancer, surgery, leukemia, and other physical ailments; it can also be defined as a house fire, flood, or other natural disaster.*

"I want to thank you so much for helping me and my family. We are truly grateful.... If there is anything I can do to help, please let me know. God bless you."

*Correctional Officer III Joe Tadena,*

*Oahu Community Correctional Center, Honolulu, HI*

(Officer Tadena suffered a brain tumor the size of a baseball. The tumor was removed in emergency surgery. We are so happy for him and his family that Officer Tadena recovered so quickly and well from what might have been a greatly debilitating, if not fatal, brain tumor.)

---

"Thank you again for your assistance. For certain, every ounce of assistance directed to us is now and will be greatly appreciated."

*Barbara McElrath, wife of Correctional Corporal James Mc Elrath,*

*DC Jail Detention Facility, Washington D.C.*

(Corporal James McElrath has a very serious condition, still undiagnosed, that has caused him to be hospitalized since January 1, 2001. Barbara McElrath is disabled from polio.)

---

"We at Perryville wish to extend our thanks for the support given when Officer Brent Lumley lost his life to an inmate stabbing attack."

*Sergeant Eaves Dennis, ASPC-Perryville, Goodyear, AZ*

---

"The CPOF has helped many brothers and sisters at my facility, the Adult Correctional Institution, and it is much appreciated! Thank you!"

*Correctional Officer J. Stephen Boulton, Adult Correctional Institution, Cranston, RI*

---

"It is a relief to know The Correctional Peace Officers Foundation has been formed to assist Officers, like Jon, all over this country."

*County Jail Administrator Roger N. Palmiter,*

*Newaygo County Sheriff Department, White Cloud, MI*

(Corporal Jon Beagle of the Newaygo County Sheriff Department received an assistance check for his 15-year-old daughter Christina. Christina has been going through a long recovery from leukemia.)

---

"I was touched to see an old co-worker's name listed on the Memorial page. He was killed during an escape attempt in 1997 at Wyoming State Penitentiary."

*Correctional Caseworker Brian Taylor, North Dakota State Penitentiary, Bismarck, NC*

---

"The Oklahoma State Reformatory extends our sincere appreciation for your generosity."

*Warden Brent Fatkin,*

*Oklahoma State Reformatory, Granite, OK*

(Officer Callaway was stabbed by an inmate on June 5, 2000. As of October 2000, he was still receiving medical treatment. OSR Sergeant Joe Allen Gamble was also attacked and tragically, was killed.)

Our **Supporting Members** are the backbone of the Correctional Peace Officers (CPO) Foundation. Thanks to their regular monthly donations, the CPO Foundation's "*Survivors Fund*" is sustained and continually strengthened. Additionally, our "*Catastrophic Assistance Fund*" benefits, so that we are able to help more and more Correctional Officers and their families every year in times of emergency, personal crisis or other great need.

Now, YOU can become a Supporting Member of the CPO Foundation, the *only* national, non-profit charity for Correctional Officers through the simple and convenient method of automatic bankdraft withdrawal of the amount you *choose* to donate every month.
