Dear Sergeant Danny Colang,

Thank you for your request to meet with the Governor as part of the Alaska Correctional Officer Association. The Governor's schedule is very full for the first two weeks of August, but I will make sure your request is entered into his database for consideration. I cannot confirm his availability for any specific date, but we will be in contact with you soon in this regard. If you have any other questions feel free to email or give our office a call.

Respectfully,

Meg Buck
