On behalf of the Kenai D Spaceships, I would like to thank you for your sponsorship. The kids and I had a great time this season. All the kids learned different skills that will benefit them as they grow older. They played as a team and scored alot of goals, although the Boys and Girls Club does not keep score the kids can assure you that they beat every team they faced. Enclosed is a plaque from the club, a team shirt and photo. In the photo listed left to right. Top: James, Rachael, Cal, Aidan, Aiden, Bottom: Koa, Makinze, Eli, Anika and Vanessa

There were 900 kids playing soccer here on the peninsula this season. This would not have been possible without the support of the community. Once again Thank You.
