

CORRECTIONAL OFFICERS BARGAINING UNIT PAC AUTHORIZATION

I hereby authorize and direct the State of Alaska (“Employer”) to deduct from my paycheck the appropriate amounts approved below for a monthly contribution to the ACOA Political Action Committee (PAC). It is freely and voluntarily made with the understanding that the contributions shall be used for political purposes. I understand that my authorization of a deduction directed to ACOA’s PAC may be changed or revoked by me at any time by giving written notice of that intent to both my Employer and the PAC. I further understand that ACOA cannot act in a favorable or unfavorable manner toward me because of the amount of my contribution, or my failure to contribute.

PAC contributions are not charitable deductions for federal income tax purposes.
